| 6        | The Financial Program has met at least quarterly to review the financial position of the  |
| 7        | HDA, and to prepare financial reports for the EC and the BOT. The HDA started the   |
| 8        | year with a deficit budget, but the association has reduced expenses for 2021 and   |
| 9        | continues a strong financial position and healthy reserves. A new reserve policy has been   |
| 10       | implemented, and a portion of those reserves has been allocated into the building reserve   |
| 11       | fund.   |
| 12       |   |
| 13       | It turns out that as the year has progressed, the pandemic has affected many of the   |
| 14<br>15 | expenses normally incurred, especially with conference and travel expenses. 2021 will likely end with net revenues, which will hopefully help us with the challenges for 2022 |
| 15<br>16 | since the pandemic continues to offer challenges for our association and members. 2022  |
| 17       | will be a challenging year financially for the association as noted on the 2022 budget. It  |
| 18       | will be important to retain membership, and to prepare for a year with additional   |
| 19       | expenses from the building, while we will continue to see a reduction of income that  |
| 20       | normally comes from our annual meeting revenues.  |
| 21       |   |
| 22       | The Auditor reviewed the completed audit for 2020 and reported the HDA is in a healthy  |
| 23       | financial position with a strong five-year trend. Audit is complete and will need approval  |
| 24       | from the BOT. The HDA's current financial position is healthy, and we have good   |
| 25       | reserves. Auditor noted HDA is in a strong cash position, and a surplus from 2020. If the   |
| 26       | HDA is considering something over the long-term, this may be a good time to make<br>future financial plans and stewardship for the organization by designating funds for long |
| 27<br>28 | term goals. Auditor reported the HDA building is a valuable asset but has poor returns  |
| 29       | for the association. Since HDA is in the business of providing services to our members,   |
| 30       | and not in the real estate business, auditor recommended we should consider re-investing  |
| 31       | this asset and from the earnings pay off cost for a much-reduced office space.  |
