

1 Report of the Hawaii Dental Political Action Committee – 2019
2

3 **Strategic Plan Goal #3 – Advocacy:** Effectively ensure that the profession of dentistry is
4 protected and maintained at the highest regard, among key decision makers and the people of
5 Hawaii, through strong public policy and advocacy efforts.
6

7 The purpose of the Hawaii Dental Association Political Action Committee is to help the Hawaii
8 Dental Association Legislative Program select candidates willing to listen to HDA concerns. We
9 continue to build relationships on both side of the aisle in the State Legislature. The goal of the
10 PAC is to support the positions of the Hawaii Dental Association and the goal of the Association
11 is to promote optimal oral health for all the citizens of Hawaii.
12

13 Generous donations by members help the PAC provide a voice for the Association. The
14 membership this year has grown a little since last year. However, it is far from the 50% goal set
15 by the PAC. The PAC membership is represented by less than 30% of the HDA members.
16 The 2020 goal for the PAC will be to expand its membership to 50%.
